

GIVING STARTS ... *With Vision*

A local young brother and sister emptied their piggy bank to contribute to their charitable initiative.

"It's so great to see philanthropy starting at such a young age. Children are truly inspirational and a living statement that anyone can help to make a difference."

CHRISTIE S. TRAPP | EXECUTIVE DIRECTOR

GIVING STARTS ... *With a Dedicated Team*

On behalf of the Madison Valley Medical Center Foundation Board of Directors, we are extremely grateful to - individual donors, local businesses and organizations, employees, physicians, and volunteers - who have collaborated and contributed to the strength of the Foundation to bring the very best in quality healthcare to those in our community.

OUR MISSION

Madison Valley Medical Center Foundation is a community based, not-for-profit corporation which exists to inspire gifts and grants from individuals, foundations, corporations and other entities to support the health and well-being of people in Madison County and adjacent communities throughout southwestern Montana.

OUR VISION

Madison Valley Medical Center Foundation will be the premier organization for ensuring the understanding and funding of health and wellness needs in our region.

- As the philanthropic arm of the Madison Valley Medical Center, the Foundation develops resources to make a positive impact on the health of our community through support of the Medical Center's mission and priorities.
- We will maximize annual support to meet immediate needs and develop a strong endowment to allow flexibility for future capital and special project needs.
- We will exceed the expectations of our donors and our community through diligent leadership and exemplary stewardship.

GIVING STARTS ... *With Friends*

Healthcare is central to the needs of everyone living in southwestern Montana and **good quality healthcare** is what the Madison Valley Medical Center works to ensure we all receive.

The Foundation is extremely proud of it's mission to support the efforts of the staff and physicians at Madison Valley Medical Center. Our task is to work with the community to support those projects that move healthcare forward. Over the past year our donors have provided critical support which includes a new emergency helipad, diagnostic equipment and comfort items for patients and their families.

We are so fortunate to have deeply caring and exceptionally skilled physicians, nurses, and support staff at the Medical Center who, along with many volunteers, help make the Medical Center the heart

of our community. Every day staff works together, improving and saving the lives of others, and occasionally supporting end of life with dignity. At some point each and every one of us will most likely be touched by this Medical Center - many of us already have been. Thank you for sharing the responsibility to take care of our community today and for generations to come. Giving, as we all know, is never about the size of the gift, but rather the thoughts and emotions that accompany it.

With that in mind, the Board of Directors and Foundation Staff thank everyone who donated so generously this past fiscal year. Your investment ensures that the best professionals, healthcare technology, medical services and genuine care are available for us all when we need it most.

WITH SINCERE APPRECIATION,

MARY G. OLIVER | PRESIDENT

Madison Valley Medical Center Foundation Board of Directors

Senior Vice President/ First Madison Valley Bank

CHRISTIE S. TRAPP | EXECUTIVE DIRECTOR

Madison Valley Medical Center Foundation

STATEMENT OF FINANCIAL POSITION

Madison Valley Medical Center Foundation's philanthropic activities resulted in the following financial summary for fiscal year 2013 (October 1, 2012 – September 30, 2013).

ASSETS

CURRENT ASSETS

Cash and cash equivalents	\$341,039
Pledge receivables - current portion	\$36,810
TOTAL CURRENT ASSETS	\$377,849

CAPITAL ASSETS

Equipment and furniture, net	\$1,377
Software, net	\$5,350
TOTAL CAPITAL ASSETS	\$6,727

OTHER ASSETS

Investments	\$199,643
Pledges receivable	\$20,000
Assets held for sale	\$3,810
Total other assets	\$223,453

TREATED IN PHYSICAL THERAPY

1 INCREDIBLE MEDICAL CENTER

LEGACY SOCIETY

The Legacy Society offers the opportunity to create a personal legacy to benefit the Medical Center. Through compassion and foresight, Planned Gift donors allow the Foundation to fund various needs to make a difference in the health of the community.

At the Madison Valley Medical Center Foundation, the concept of legacy is uppermost in all we do. There is nothing more compelling than knowing that the work we do now will provide comfort and care for years to come for people we may never know.

Estate and Planned Giving is one of the most convenient, valuable and tax favorable ways for supporting the work of the Madison Valley Medical Center. The types of planned gifts include:

- Bequests
- Bank Accounts and CD's
- Charitable Gift Annuities
- Life Insurance
- Charitable Lead and Remainder Trusts
- Life Estate Contracts

THE MADISON VALLEY MEDICAL CENTER FOUNDATION ACCOMPLISHMENTS

Recognizing that residents and visitors to the Madison Valley are a worthy investment, the community gave more than \$340,000 to support the life-saving work provided each day at the Madison Valley Medical Center. Consistent support helps sustain the Madison Valley Medical Center's mission to be the most effective provider of healthcare services in our region.

MONEY RAISED FOR THE MEDICAL CENTER TO:

- Purchase replacement portable X-ray
- Purchase window tinting for physical therapy
- Establish pediatric exam room and upgrade clinic waiting room area
- Purchase 3 TV's for inpatient rooms
- Purchase CT equipment
- Build a helipad
- Landscape the helipad area
- Purchase Emergency entrance signage
- Purchase inflatable heart for community Health Fair

GIVING STARTS... *With Partners in Caring*

The following major benefactors in fiscal year 2013 (October 1, 2012 through September 30, 2013) have reached an overall total giving level of \$10,000 or greater to the Madison Valley Medical Center Foundation.

Gerry and Sarah Gerron
Rick Greenreich and Ida Hemingway
Jan Janura and Carol Anderson
Otter Cove Peter Read
Pam Rentschler
Dr. Howard and Brenda Sheridan
Leroy and Jean Thom
Tim and Denise Weglicki
Anonymous Donor

**FEATURED PARTNERS IN CARING
GERRY AND SARAH GERRON**

PHILANTHROPY MEANS MANY THINGS TO THE GERRON'S.

It means that we have done well in our personal and business lives and that we can share our good fortunes. It means that we can express our gratitude for our ability to help. Most importantly, philanthropy gives us the power to make meaningful differences in people's lives and our community. Sometimes that difference actually means saving lives.

Before we moved to the beautiful Madison Valley and settled in Ennis, we spent most of our years in Seattle. As our resources there continued to grow, so did our involvement in a number of key philanthropies. The love of humanity gave us very clear perspectives on our goal of helping our new Ennis community, neighbors, and friends. We made significant donations to the Ennis Library and Madison Valley Hospice as

well as numerous organizations throughout the Valley. We serve on several foundation boards and give our time and thoughts.

When we heard about the need for an emergency helipad, we didn't hesitate. The Ennis community needed it – the sooner the better. It made our community stronger and better prepared. Every time we see that chopper lift-off, we know we made the right decision. Every time we get a letter saying "you saved my life", we beam with gratitude. We are so fortunate to have the high quality staff and resources at the Madison Valley Medical Center, and we were truly honored for the opportunity to make it stronger for us all.

Please consider our journey, our experience, and the good people of the Madison Valley. Perhaps you may want to join that journey.

OUR SUPPORTIVE COMMUNITY

Thank you to the individuals, companies and organizations that made **355 GIFTS** during fiscal year 2013. The following contributors generously collaborated with the Madison Valley Medical Center Foundation in fulfilling its mission of providing high quality, compassionate healthcare for our community.

The following lists reflect gifts received during the period October 1, 2012 through September 30, 2013, which are not listed previously in this report. Every effort has been made to ensure accuracy in listing all donors. We apologize for any omissions or errors.

CORNERSTONE CLUB

The Cornerstone Club is the Foundation’s foremost phil-
anthropic recognition group. Through the Cornerstone
Club, donors become part of the heritage established
when the Medical Center’s founders placed the original
cornerstone in 1950 - a strong tradition of philanthropy
and community giving.

Cornerstone Club members are individuals who make
a commitment pledge annually, that is payable over a
period of four quarters in a calendar year. This is a won-
derful example of how the generosity of donors at all
levels of giving provide financial support that enables the
Foundation to continue its mission.

GIVING STARTS ... With Commitment to the Cause

Some of the original look of the Madison Valley Medi-
cal Center Auxiliary still prevails and is respected and
revered but the days of raising money simply for linens
are over. Volunteers no longer just knit (although the
knitting that is still done is truly valued and needed);
they help in many different ways.

The Auxiliary has evolved and now operates a business
that enables them to help purchase medical equipment.
Their operation generates revenue in the thousands
of dollars each year. They are Project Managers who
have given countless hours of time toward a variety of

projects, with the most prolific being the Annual Home
Tour. They are people who have the knowledge and
skills to purchase and manage inventory, arrange flow-
ers, merchandise, market, take photos, operate software
systems, and so much more.

Each year, the Auxiliary members volunteer a minimum
of 4,700 hours in services to patients, visitors, vendors,
blood drives, various receptions and miscellaneous
tasks. Both the Foundation and the Medical Center are
extremely grateful to the Auxiliary for their continuing
support and dedication to the community.
