

HEALTH NEWS

MADISON VALLEY MEDICAL CENTER

New Chief of Staff

The Madison Valley Medical Center is pleased to announce R.D. Marks, M.D. as the new Chief of Medical Staff. Dr. Marks took over the position the first of September, and will work full-time both for clinical visits and emergency and inpatient services beginning the middle of October.

Dr. Marks has been part of the provider team here at MVMC since January, offering his services on a part-time basis while commuting

from Clancy, Montana. "We are very pleased that he has committed to this full time position," said CEO Tom Mitchell, "and that he is planning to become a part of the community." Dr. Marks plans to relocate to Ennis with his wife, Lisa, in the near future.

Update from the C.E.O., Tom Mitchell

The Medical Center continues to progress in many areas. We are quite pleased that we will have six Board Certified providers on our Medical Staff. This is the greatest selection of qualified health care providers in MVMC's history. Endoscopy procedures, including colonoscopies, as well as cardiology services are available at MVMC.

Patient visits at the clinic continue to increase in volume as more and more patients are making the decision to receive their primary healthcare close to home, avoiding the expense and time of making an unnecessary trip out of town. With six quality providers to choose from, selection has never been better.

Emergency room visits are also up. Letters of appreciation from local residents and tourists regarding the quality of care and timeliness and friendliness of service are common. While every visit to the emergency room may not involve a life threatening event, it is true that lives are saved at the MVMC Emergency Room, designated by the State of Montana as a Trauma Receiving Facility.

If you have not experienced MVMC recently, please drop by and look us over. You will be impressed.

THE MEDICAL STAFF

**Curtis Blake, M.D.
Family Practice**

Dr. Blake comes to MVMC from Barrett Hospital in Dillon, MT. where he was a family practice physician for 11 years.

He completed his undergraduate studies in Chemical

Engineering at the University of Texas in Austin. His graduate studies were completed at the University of Texas, Medical Branch in Galveston.

Curtis is certified by the American Board of Family Practice. He did his residency in Family Practice at Texas

Tech. University HSC, in Lubbock and practiced in Missoula (Community Medical Center) before moving to Dillon.

His hobbies include; hiking, biking, hunting, fishing, and restoring old vehicles.

**Patti Moran, MD
Family Practice**

Dr. Moran joined MVMC this August from Belgrade, where she practiced for 15 years.

She completed her undergraduate studies in Biology and Medical Technology at Mankato State University in

Minnesota and graduate studies at the University of Minnesota.

Patti is certified by the American Board of Family Practice. She did her residency in Family Practice in Duluth, Minnesota. She practiced in Kotzebue and Anchorage, Alaska and in Post Falls,

Idaho before moving to Belgrade, MT.

Her special medical interests include geriatrics, women's health and palliative care.

Her hobbies include; hiking, gardening, snorkeling, sewing, animals and grandchildren.

**Cary Wilson, PA-C**

Cary Wilson practiced at the Ruby Valley Hospital in Sheridan before joining MVMC.

Cary completed his B.A. in English and Communications at the University of Wisconsin, and some post baccalaureate studies at MSU in Boze-

man. He received his Masters of Science in Physician Assistant Studies at A.T. Still University in Mesa, Arizona.

Cary practiced in West Yellowstone, Big Sky, Bozeman, Big Timber and Scobey before moving to Sheridan.

He has special training in

emergency medicine, and has paramedic training.

His hobbies include; hunting, hiking, skiing, rock climbing, diving, woodworking, fishing, golf, music, travel, photography, rock collecting and breeding apples.

**Nancy Fitzpatrick, PA-C**

Nancy was raised in East Central Illinois but calls Ennis her home. She has practiced in Alaska, Oregon and in Montana before joining MVMC.

She completed her under-

graduate at Metro State College in Denver, Co. and Nursing School at Parkland College in Champaign, Illinois.

She received her Masters of Medical Science in Physician Assistant Studies at Midwestern University in Downers Grove, Illinois.

Her hobbies include; fishing, camping, scuba diving and travel.

CHIEF OF MEDICAL STAFF

R.D. Marks, MD
Chief of Medical Staff
Family Practice

Dr. Marks was born in Helena, Montana. He joined MVMC from his practice in Missoula.

He completed his undergraduate studies at Carroll

College in Helena and Medical School at the University of Washington.

R.D. is certified by the American Board of Family Practice. He completed his residency in Family Practice in Spokane and practiced at both St. Patrick's and the Community Medical Center in Missoula.

He also practiced a few years at Doha, Qatar Orthopedic and Sports Medicine in Africa.

His hobbies include; travel, scuba diving, fishing, hunting, packing with horse and mule, sailing, skiing, weight lifting, theater and history.

NEWCOMER TO THE MEDICAL STAFF

Martin Hensel, PA-C

Marty Hensel will join the medical staff the end of October. He has been practicing at Barrett Hospital in Dillon.

Marty completed his B.A. in English Literature and Creative Writing at the University

of Montana in Missoula. He received his Bachelor of Clinical Health Sciences degree (MEDEX Northwest Physician Assistant Program) at the University of Washington School of Medicine in Seattle.

Marty was a EMT/Paramedic and Ambulance Crew Chief

with the Missoula Emergency Services before practicing as a PA-C at Barrett.

His hobbies include; backpacking, hiking, camping, non-fiction writing, cooking, goose hunting, conversing with his wife and keeping pace with his three year old.

FALL HEALTH FAIR

The Medical Center Fall Health Fair will be held Wednesday through Friday, November 17–19, from 7a.m. to 10a.m.

Blood tests and all screenings are offered at a significantly reduced price during this fair. Blood pressure checks will be free. Flu shots are available at

special rates.

Screenings & Blood Tests
Available at discounted prices:

♦Colon Cancer Screening
(fecal occult blood test)

♦Abdominal Aorta Aneurysm
*important for anyone with -
a family history of aneurysm,
diabetes, high cholesterol, or
high blood pressure.*

♦PSA—Prostrate Cancer Blood
Test (\$15, regularly \$65)

♦Comprehensive chemistry,
Complete Blood Count, TSH
and Lipid panel . * Normally
\$260 offered at \$50.

For more information and
appointments call the MVMC
Office at (406) 682-6842.

ENDOSCOPY SERVICES AT MVMC

Endoscopy procedures, including colonoscopies, are now available at MVMC, providing patients with the opportunity to prepare for these procedures in the comfort and privacy of their own homes.

These procedures are conducted by Board Certified Gastroenterologists, Dr. Tim Johnson and Dr. Brian Landsverk.

Colorectal cancer is the second most common cancer killer in the United States.

Both men and women are equally affected by this disease and should seek regular screening, as recommended by the American College of Gastroenterology.

As with most cancers, early detection is the key. A recent study in the New England Journal of Medicine stated that more than 90% of

deaths associated with colorectal cancer could have been avoided through early detection.

If you are over 50 or have a family history of Colorectal Cancer, please consult your provider about screening tests such as colonoscopy and flexible sigmoidoscopy.

Persons of average risk and no family history should plan to have a base-line colonoscopy at age 50 and then

every 10 years, followed with annual fecal occult blood tests plus flexible sigmoidoscopy every 5 years.

MAKE A MEMORY

The Madison Valley Medical Center is now offering a new Ultrasound service named "Make a Memory."

This service provides a 3D/4D Ultrasound for parents' first baby pictures.

Women who have had a Complete OB Ultrasound at any facility may take advantage of this

offer. Real time images and photos are available at a cost of \$50.00.

For details and appointments please call Bev Bishop in the Imaging Department at (406)683-6612 or the Medical Center at (406)682-6862.

Dr. Brian Landsverk,
Gastroenterologist

CARDIOLOGY AT MVMC

The number one killer of Americans is cardiovascular disease. This remains true despite advances in therapy that have resulted in a 20% reduction in hospitalizations and mortality in just the last 10 years. As treatment has improved, the prevalence of cardiovascular has risen and continues to do so largely as a result of our lifestyles. Risk factor management, early

detection and aggressive therapy are critical in saving lives and maintaining lifestyle.

Blair Erb, MD, FACC and sonographer Matt Sullivan, RCS visit the Madison Valley Clinic once every month. Erb provides consultation and follow up disease management. With the help of Matt Sullivan, diagnostic stress

testing and echocardiography are provided. By providing improved access to these services our goal is to reduce the need for hospitalizations and reduce mortality.

For appointments call Cardiology Consultants of Bozeman at (406) 522-3959.

Memorial Donations received 3/15/10—9/30/10.

Listed Alphabetically. One listing was omitted in our last Newsletter.

Memorial Listings are those donations made "In Memory of" a loved one. A Special thank you to all of those families and friends who donated in memory of your loved one. Their legacy is with us and has supported quality health care in the Madison Valley.

Thank You

A special thank you to all donors who have shared in the mission of supporting high quality health care with modern services and qualified professionals in the Madison Valley.

The Madison Valley Medical Center Foundation sincerely appreciates the generous support from all of the donors who contributed to the capital campaign. You have made the new facility a reality.

In the Spring issue of Health News we honored all donors contributing at levels of

\$1000 or greater.

In this issue we are honoring all of those who've contributed at levels Up to \$999.

Donors who've contributed since the last issue and a few who were inadvertently omitted in the spring are also honored here.

If you don't see your name in the giving levels listed or if your name is misspelled, please contact the Foundation Office at (406)682-6641 or email foundation@mvmcf.org.

We would like to correct the names before placing them on a permanent donor wall. The donor wall will list all of the donors and is planned for display in the hospital lobby.

WHAT'S GOING ON WITH THE LANDSCAPE?

If you've driven by lately you may have noticed some activities going on outside the Medical Center.

More than a year after the new facility opened its doors, we are excited to announce we are moving ahead with a landscaping plan.

This summer the hospital board reviewed several plans submitted by landscape architects. After reviewing all of the wonderful ideas, which

were submitted free of charge, they chose a proposal by Jonathon Losee.

Jonathon Losee is our own "Doc" Losee's son, and speaking of Doc— we have four trees, just recently planted, that were donated in his honor (one for each family member).

The plans are to complete the landscaping by sections over a period of time as funds are available. Recently,

we received a very generous donation from Sun West Ranch residents, Ted and Heidi Gildred that has allowed portions of the project to begin.

The main irrigation system, curbing and paving, and the seeding of some areas with prairie grass have all begun and were made possible with the Gildred donation. Thank you, Ted and Heidi!

For more information on how

you can support the Medical Center, contact the Foundation Office at (406) 682-6641 or online at www.mvmcf.org.

Donations are Tax Deductible.
